|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Scope</i>                   | <b>Module D: Conformity to type based on quality assurance of the production process</b>                                                                                                                                                                                                                                                                                                              |
| <i>Issued for</i>              | <b>Sontex SA</b><br>Rue de la Gare 27<br>2605 Sonceboz-Sombeval<br>Switzerland                                                                                                                                                                                                                                                                                                                        |
| <i>Requirements</i>            | Directive 2014/32/EU of the European Parliament and of the Council of 26 February 2014 on the harmonisation of the laws of the Member States relating to the making available on the market of measuring instruments (MID), Annex II Module D. Ordinance of 15 February 2006 on Measuring Instruments (MessMV, SR 941.210)                                                                            |
| <i>Confirmation</i>            | The present certificate of conformity certifies that the quality assurance system of the applicant has been assessed and registered as meeting the above-mentioned requirements. The applicant is allowed to apply the metrology CE marking for measuring instruments that are manufactured under the scope of this approved quality management system with the METAS-Cert identification number 1259 |
| <i>First certification</i>     | 4 May 2010                                                                                                                                                                                                                                                                                                                                                                                            |
| <i>Certificate valid until</i> | 25 September 2028                                                                                                                                                                                                                                                                                                                                                                                     |
